The young people of the community enjoyed their usual evening dance at Voss Hall, last week.

The Ladies' Club met last week with Mrs. Fulton. Mrs. Edwards gave an interesting paper on History and Mrs. Veal on Geography, of New Mexico. Mrs. Burt reviewed "The Twentieth Century American" in a delightful way. Delicious refreshments were served by Mrs. Fulton and all greatly enjoyed the first meeting of the year. The next meeting will be with Mrs. John W. Corbett.

Ladies, now is the time to order your corset. Every one who wears a Spirella is delighted with it. If your corset is not comfortable and if you want one that fits, see or write to Mrs. J. E. Veal.

The people of this community are rejoicing because the Government Surveyors are at work on the survey of Township 3-7. All the corner stones of the original survey are lost and it was necessary to begin work at the base line. The people who live in this township have waited long and impatiently for their corners. Soon they will be able to build fences and other improvements on their land and not be in fear that they will have to move them.

John A. Lee will begin drilling a well for W. M. McCoy this week on his place here joining the townsite.

REMINGTON-UMC

METALLIC CARTRIDGES

Shoot to Hit

The Remington Cub has set a new shooting record.

More—Their Use Guarantees the Life—the Continued Accuracy of your Arm.

96 years of gun-making—50 years of cartridge-making have taught us—

To make cartridges noted for straight-shooting—hard-hitting—sure-fire. To attain ammunition accuracy without impairing gun accuracy. To make for each kind of arm the cartridge it requires to shoot its best—and to keep shooting its best.

There is a Remington-UMC cartridge specially made for your rifle—your pistol. Every Remington-UMC cartridge is tested in the arm for which it is made. Our Guarantee is behind these cartridges—and behind any standard arm, to the full extent of the maker's own guarantee, when these cartridges are used. Shoot the cartridges that shoot straight. Shoot the cartridges that keep your gun shooting straight. Shoot Remington-UMC cartridges.
